She has written several books on the subject including the highly regarded Life Cycles. Finally, the diet vegetarians have been waiting for.

### **Rose Elliot's New Complete Vegetarian**

So, my first choice was Rose Elliot's low-carb diet book. I had a number of other vegetarian cookbooks, but none were as comprehensive or as full of recipes as this one.

The problem is I didn't follow the maintenance plan.

### **Rose Elliot vegan and vegetarian cooking**

Many of the recipes are suitable for vegans too or can be modified to suit their requirements. I had it down to a science losing. If you are not sure what that involves, please take a look at our.
