Richard Jefferies (1848)

Rossabi, Richard Jefferies: a Miscellany Cambridge: Galileo Books, 2019. The thing is simply abominable! The pleasure of wandering in a wood was so great that it could never be resisted, and did not solely arise from the instinct of shooting.

The Amateur Poacher by John Richard Jefferies, Paperback

The narrative goes on in the same familiar, brisk, hunting-morning style, carrying the reader far afield, into damp woods, and over sweet, rich pastures. But there he stood, and mounted guard over the old flintlock that was so powerful a magnet to us in those days. These were flush with the floor and bolted firmly.

The amateur poacher : Jefferies, Richard, 1848

By night the bats would flit round and about that gloomy place.

The Amateur Poacher

Beetles go by with a loud hum, rising from those isolated bunches of grass that may be seen in every field; for the cows will not eat the rank green blades that grow over and hide dried dung.

These signs and the smooth-worn bark of an ash against which it was needful to push proved that this quiet path was used somewhat frequently.

The amateur poacher : Jefferies, Richard, 1848

And why else was he put away up there out of sight? He taps for the purpose of sounding the wood to see if it be hollow or bored by grubs, and to startle the insects and make them run out for his convenience. Pheasants, though they retire to roost on the trees, often before rising come forth into the meadows adjacent to the coverts.
