spaceneb.us.to: Reinventing the Left in the Global South: The Politics of the Possible (9781107421097): Sandbrook, Richard: Books

It began some time ago, and it will soon come to an end. This item may be a former library book with typical markings. It is in the Global South, most notably in Latin America, that one finds newly self-confident progressive movements.

Reinventing the Left in Poland

We would sign our text with our names and with Krytyka Polityczna. Democracy is in a deep crisis everywhere. The moral and intellectual leadership of the Left is shifting south from its European birthplace.
