Each of them, made up of several towns, had as its representative a governor appointed by the monarch.

Grave of Greek Discovered in Pylos

The Church of the Transfiguration organizes sometimes religious activities it has been converted into a museum and an exhibition center , while that of the Assumption of the Virgin Mary still gathers many faithful during its regular offices, and particularly during the celebrations of Easter and of the Myrtiodiotissa Virgin the Virgin with , to whom the church is dedicated which attract many tourists from Athens and abroad to attend the processions organized in the center of the city. Homer interchangeably used the Achaeans, Danaans, and Argives to refer to the besiegers, and these names appear to have passed down from the time they were in use to the time when Homer applied them as collective terms in his Iliad. Other religious roles filled by women were the three types of sacred slaves: slave of the God, slave of the Priestess, and slave of the Key-bearer.

MYCENAEAN CIVILIZATION: ORIGIN, CHARACTERISTICS, ORGANIZATION

Last spring, that dream became a reality for a team led by two University of Cincinnati scholars, who discovered the grave of a Bronze Age warrior in southwestern Greece.
