### Specialized Kenjutsu Bokken (Koryu Bokken)

However, when Goku obtained the Super Saiyan Blue form, which required perfect innate ki control and a calm mind, utilizing the Kaio-ken technique alongside it became possible. King Kai tried to master this technique himself, but failed and taught Goku instead.

#### Kaio

Goku uses the Kaio-ken x3 against Vegeta. Goku also used the Kaio-ken briefly when he fought Vegeta's form, but was whipped aside by Vegeta's tail, surprised at Vegeta for remaining as agile as ever even in the huge size of the Great Ape. A single use puts the user in Kaio-ken+ status; the normal Kaio-ken requires the move to be used twice to achieve Kaio-ken+ status.

#### Seiko Vision

He did this as a last resort to break Fused Zamasu's after losing strength in both of his arms and having his left leg crushed. There is an inconsistency in that Kaio-ken and Kaio-ken x2 appear to have the same effect, despite Goku and King Kai apparently believing the latter to be a more powerful buffer. According to the , Goku's base power level at the time was 8,000, and Vegeta's was 18,000; Goku then powered up to 16,000 with the 2x Kaio-ken, and then 24,000 with the 3x Kaio-ken.

#### Seiko Vision

The only increase that comes with multiplying the Kaio-ken buff is the chance of critical strike; for example, activating it doubles the player's critical strike, and the following multiplication would put the increase at x3.

#### Kaio

When using the Kaio-ken, the user gains a red and exploding aura, and in turn, their whole body and clothes acquire a reddish tint.

#### Home

He presumably acquires the ability to utilize the Kaio-ken and Super Kaio-ken from. Deleting a Trip will delete all the items and notes you have added to it. Perhaps refresh and try again.

## **SEIYOKEN, Kitakyushu**

Tripadvisor does not recognize this as a trusted domain. Older reviews have less impact on the Popularity Index. This Super Soul makes it easier to maintain Kaioken and x3 Kaioken due to its stamina recovery boost slowing down the stamina drain though the slow down effect lessens the higher the multiplier.

Later King Kai takes on the training of Yamcha, Tien, , and Piccolo using the same techniques that were successful with Goku.
