He first interviewed Terry Southern in 1990, beginning a friendship that led to his book.

**A Grand Guy: The Art and Life of Terry Southern**

Hill has spent the last few years living in Calgary, Alberta, Canada, and London. A screenwriter, a novelist and one of the first New Journalists, he had long ago proved himself a brilliant misfit in each field. By his own account, Southern consumed his fair share of drugs and drink and women.

**The Hippest Guy on the Planet**

Hill first interviewed Southern for a small magazine in 1990.

I want to blast it. In fact, A Grand Guy reads like a recap of a very long losing streak punctuated with a very emphatic period - fired from his job as writer on Saturday Night Live. Southern's generosity as a writer has to do with his loose grasp on authorship itself.

**A Grand Guy: The Art and Life of Terry Southern by Lee Hill**

For decades, the crowd he ran with was composed of the most famous creative artists of the day. And always at the center of the whirlwind was Terry Southern -- outrageous, unpredictable, charming, erudite, and eternally cool; a brazen innovator and unappreciated genius; and most of all, A Grand Guy.

**The Hippest Guy on the Planet**

Shakespeare organized a huge number of interviews while sensitively interpreting the behavior of the legendary travel writer.

## **A Grand Guy, The Art and Life of Terry Southern**

Kubrick did, and Fonda and Hopper, and that's the bottom line: Southern comes up short. He wrote great magazine articles, short stories, screenplays in part and books.
