## Essays on the First Hundred Years of Anaesthesia Volume III

He decided to retire, and devote his life to the study of anaesthetic history and equipment. Also like volume I, it is written with wit and wisdom, erudition, and irreverence for the injudicious. Please keep me posted about how you get on.

## Essays on the First Hundred Years of Anaesthesia: v.3: Vol 3, Syk

He decided to retire and devote his life to the study of anaesthetic history and equipment. The dust jacket for hard covers may not be included. Born in 1894, William Stanley Sykes was an anaesthetist in Leeds before the second world war.

## Essays on the First Hundred Years of Anaesthesia Volume III

Browsing one day, I picked up one old book and found I could not put it down.

## Essays on the First Hundred Years of Anaesthesia: v. 1 by William Stanley Sykes (Hardback, 1982) for sale online

The topics were discursive and seemed to be random; but by deviating from the well trodden paths of the history texts Sykes gave us a fresh angle. I cannot directly confirm his assignment to any naval vessel, or any service in the navy. Apart from that, there is no other pertinent information I can offer you, although there is a reasonable portrait of him inside the cover.
