From the first time we played outside together, I knew I would always love you. Here my mistress first began her part, with telling me, that I must have good spirits, and learn to be free with her; that she had not taken me to be a common servant, to do domestic drudgery, but to be a kind of companion to her; and that, if I would be a good girl, she would do more than twenty mothers for me; to all which I answered only by the profoundest and the awkwardest curtsies, and a few monosyllables, such as yes! I really regret how I treated you and seeing you brought back all the old feelings. I saw you walking down the street with a really pretty girl.

Worthwhile Books : A Village Girl by Sarah Shears

We would stay up all night telling stories and making each other laugh until our little tummies hurt. After a little time, in which my air, person and whole figure had undergone a strict examination, which I had, on my part, tried to render favourable to me, by primming, drawing up my neck, and

setting my best looks, she advanc'd and spoke to me with the greatest demureness: Qu.

But now my extreme aversion, my fears, my indignation, all acting upon me, gave me a spirit not natural to me, so that breaking loose from him, I ran to the bell, and rang it, before he was aware, with such violence and effect, as brought up the maid to know what was the matter, or whether the gentleman wanted any thing? I thought we would be together forever. Presently, assuming more courage, and seeking some diversion from my uneasy thoughts, I ventured to lift up my head a little, and sent my eyes on a course round the room, wherein they met full tilt with those of a lady for such my extreme innocence pronoun'd her sitting in a corner of the room, dress'd in a velvet mantle nota bene, in the midst of summer , with her bonnet off, squob-fat, red-faced, and at least fifty.
