I have also read that the 2006 film version is disappointing; too bad! Some time after leaving university I was in a club; and at one point in the, er, festivities I was tapped on the shoulder. And this little volume carried so much weight by now, as a favourite of several people - exes, friends, the hard-to-label - from different times and places in my life.

He later wrote to his friend Jacques Rivière 'She did not come. Unfortunately, she asked that he not try to see her again as she was engaged to be married.'

From a Lost World by David Bentley Hart

It would be very hard to think of two figures whose art and whose lives, taken together, so perfectly remind us of an innocence that perhaps our entire culture has now lost—and remind us also that some things, once lost, can never be recovered or restored. Scribbled in his notebook are snippets of an exchange that must have saddened as much as delighted him

The Lost Domain

His career in computer graphics spanned only about 20 years. The following year, not only did he fail his examination again, but he also learned that Yvonne de Quièvrecourt was married. The 2001 Proceedings were dedicated to Fournier.

Le Grand Meaulnes

In French, adjectives are usually placed after the noun they modify. There he encounters a beautiful young woman, but afterwards he finds it impossible to locate the strange estate, and the mysterious girl.

Le Grand Meaulnes by Alain

I by Alain-Fournier goes by two titles.
