### Elements of Marine Ecology: An... book by R.V. Tait

The aim has been a concise presentation of information and ideas over the general field of marine ecology, with guidance on the selection of more advanced reading. The aim has been a concise presentation of information and ideas over the general field of marine ecology, with guidance on the selection of more advanced reading. This book has been compiled primarily as an aid for zoology students at the start of a special course on marine biology.

### Elements of Marine Ecology: An... book by R.V. Tait

The sources of further information given at the end of each chapter have been chosen as far as possible from books and journals to which students should have reasonably easy access.

### Elements of Marine Ecology: An... book by R.V. Tait

The text is an introduction to the author's annual course for undergraduates. Students entering the author's course are usually in their third undergraduate year, and a general knowledge of the phyla is therefore assumed. No missing or damaged pages, no creases or tears, no underlining or highlighting of text, and no writing in the margins.

### Elements of Marine Ecology

Our BookSleuth is specially designed for you. These lists provide a selection of additional reading which starts at an elementary level and becomes more advanced as the course proceeds. Students entering the author's course are usually in their third undergraduate year, and a general knowledge of the phyla is therefore assumed.

### Elements of Marine Ecology an Introductory Course by R V Tait
