Hot Mix Asphalt Overlays Crews add a 2-inch layer of asphalt over older streets that have outlived their serviceable life.

Tiny houses arrive for new homeless village in Tacoma. Residents to move in soon

This theory is born out by a study comparing canopy data with socioeconomic areas of Tacoma, which showed that low-income areas generally were those most in need of trees. In fact, in 2020, the council chose not to call out Antifa and Black Lives Matter violence because their supporters were responsible for it.

Community Field Offices

But 2015 saw the most action on the canopy goal.
