## Australia Virtual Jewish History Tour

However, the MtDNA of the Bene Israel also includes lineages commonly found among Iranian and Iraqi Jews and also present among Italian Jews, and the MtDNA of Cochin Jews also has some similarities to MtDNA lineages present in several non-Ashkenazi Jewish communities. North Shore Synagogue holds regular services, as well as services for and , has a Hebrew School and a program, and has over 850 families in its congregation. There would not be a Jewish member of the United States Cabinet until 1906.

## What Happened to the Sephardic Jewish Colonists?

As of 2017, only 12 Jews currently live in Alexandria.

## COMMUNITY

The population began to increase in the late 1840s with the goldrushes — particularly in the state of Victoria, where the Jewish population increased from 300 to 3,000 within a decade.

## Genetic studies on Jews

In 1488, found 25 Jewish families in Alexandria.

## Who Are the Jews of Australia?

No formal Jewish congregation existed in the Carolinas until 1749. York Street Synagogue, Sydney, 1840s The first Jewish services in the colony were conducted from 1820 in private homes by emancipist Joseph Marcus, one of the few convicts with Jewish knowledge. Generally, its loss came about because one part of the people became divided from another.

## **How Australia almost became a Jewish homeland**

According to the optional religious question asked in the 2001 Australian census, 4,871 declared Jews lived in Perth; the actual number was probably more than 6,000.

### **Perth**

One of these scrolls was donated by Lady Rachel Ezra of , though it is probably of origin, in 1951 and is kept in an ornamental silver casing in the style.

### **5 of the 7 wealthiest people in Australia are Jewish**

In the 1970s, the Australian Jewish community was concerned by the rising intermarriage rate which impacted the numbers of Jews with bonds to the community. Eyewitness reports from the late 1600s also place Orthodox or Catholic Christians in northeastern Tennessee, but they were apparently gone by the late 1700s.
