Thus we can say that we exist as Christians

by the Tradition of the Gospel the paradosis of the kerygma testified in Scripture, transmitted in and by the Church through the power of the Holy Spirit. Since the ruling authorities in both kingdoms came to support the Reformation, the political realities that forced the creation of new church structures in continental Europe did not exist in the North. Perhaps the shift away from certainty in the nature of the ecumenical goal has contributed to the ecumenical crisis to which Raiser refers.

## F&O: a perspective from the Caribbean

In such a way that through his words and deeds, and the manifestation of his whole person, he transmits to us the revelation of God cf. In the section on diversity, terms are introduced such as legitimate and illegitimate diversity. Are we ready to reaffirm our commitment to the visible unity? The exercise of this authority, however, is ultimately controlled by the supreme authority of the Church.

## Toward full communion: faith and order and catholic ecumenism.

On the one hand, the essence of the sacrament is given in the consent between the spouses. It is the foundation of all of the existing models of unity but it does not replace any of them. I strongly believe that the future of the ecumenical movement lies with committed and visionary young people, not with structures and programmes.

Now more than at any time, the ecumenical movement is the proper context in which the churches are called to respond together to these new concerns and situations as they pray together, witness together, serve together and work for visible unity.

### **Ecumenical Future**

The significance for koinonia of common ethical commitment and action has been firmly placed on the Faith and Order agenda.

Each understands the universal church to be realized in local or particular churches, and these are not parts of the church but realizations of the one church. Because of the ease with which communion ecclesiology can be used in a variety of ways, it is important to be clear about its ecumenical usage.
