Surveys in Combinatorics: Invited

Papers for the Ninth British Combinatorial Conference 1983 (London Mathematical Society Lecture Note Series Book 82) 1, Lloyd, E. Keith

Abstracts of the American Mathematical Society, 26, 2005, no.

Mike Grannell

We expect this algorithm to be the main contribution of this paper, since it can be applied to problems of very large size which typically arise in modern applications.

Pratt - Irish Railways and Their Nationalisation: A Criticism of the Report of the Vice-Regal Commission - Published: 1910 : Edwin Arnold - In My Lady's Praise. A wide range of examples, about 500 combinatorial problems taken from various mathematical competitions and exercises are also included.

Surveys in combinatorics 1987 : invited papers for the Eleventh British Combinatorial Conference

The final chapter combines together the three combinatorial structures of the Leech lattice, the Golay codes, and Steiner systems.
