was actually really

He used benevolence and kindness to overcome tyranny and cruelty in Wu, change the perceptions of people in Wu, and reduce their fighting spirit. If Jin forces show up and we don't have adequate defensive structures, we will be trapped in between Bu Chan and Jin and have nothing to protect ourselves from the enemy.

Find Ji Kang's Background Report in the US

At : Dangal, made history by becoming the first fighter of Indian descent to win a world championship in Mixed Martial Arts. The pieces fulfill various functions of furniture such as a table, chair, and a partition from the diversified use of stainless steel. This play of light totally fascinates me.

Ji Kang

The soldiers are weary, the enemy has not become weaker, and I am seriously ill. In the past: kept his promise and retreated, resulting in the surrender of Yuan; refused to accept the surrender of Gu and insisted on using military force to subdue it; proposed showing kindness to the people of Fei, leading to them surrendering of their own accord; treated refugees well and left his good name in history. Low table shows the changing refraction differently depending on where acrylic and stainless steel meet.

Ji Kang

I'd rather abandon Jiangling than give up on capturing Xiling. Even if the enemy captures Jiangling, they won't be able to hold it for long and our losses will be minimal.
