What's the Matter with Kids Today?

These are said to be the ones who take orders well and get satisfaction when a job is accomplished efficiently. We ask that you refrain from discussing topics of a political or religious nature. Children, on the other hand, must respect their parents.

How to Make Sure the Next Generation Is Better Off Than We Are

Though some boomers view this as lazy behavior, others have actually been able to learn from millennials, reflecting on whether the sacrifices that they had made in their lives provided them with the happiness that they had hoped for. You have done what you could; some blunders and absurdities have crept in; forget them as soon as you can. Rates of depression and anxiety among teenagers have increased by 70 per cent in the past 25 years.

Generation Tech: The Good, Bad, and Scary

This means minimising the impact on future generations caused by the current level of CO2 emissions from the industrialised world.

Better World Quotes

Unfortunately, their actions tell a very different story. And the Senate isn't even going to take up climate legislation until next year.
