Jean Cauvin , another student at the University of Paris, also converted to Protestantism. Around 1700, it is estimated that nearly 25% of the Amsterdam population was Huguenot.

## Crown lands of France

Following the issue of investiture, the successors of Gregory VII develop the canon law of the Church which provides the papacy with jurisdiction over the clergy, the rights of inheritance and the rights of widows and orphans. Peter Abelard contributes to this movement with his great theological work, Sic et Non. Many works of historical writers and scientists are available today as antiques only.
