The thematic Catalogue of the Works of Michel

Contrary to the British newspaper and magazine articles that parroted Hyperion's self-serving press releases, the Sawkins case breaks no new ground and will have negligible impact on the music business, which for the most part follows the advice of IP lawyers on copyright law issues. Delalande was one of four winners assigned to compose sacred music for each quarter of the year the other composers being , and.

Michel

En 1615, l'usage du cérémonial eut lieu en France. In addition, on 19 January 2005, Sawkins obtained a judgment against Harmonia Mundi and other defendants in the French courts for damages for copyright infringement.
