## [EMLS 5.3 / SI 4 (January, 2000): 5.1

The first order of business was the appointment of a permanent librarian, and the second was the cataloguing of books. What beard were I beft to play it in? Giue me that boy, and I will goe with thee. Queen Elizabeth could not bear to hear her commended; and her successor would not forgive her satirist.

Domination and Defiance: Fathers and Daughters in Shakespeare. This was the tarnish that the New Bibliographers regarded it as their mission to take in order to demo the pure Ag of the words that Shakespeare wrote: the text as he intended it to be.

## The Horace Howard Furness Shakespeare Library

Along the walls, except where six large windows poured their light on the desk in the center of the room, the black walnut cases of books rose from floor to gallery and gallery to ceiling.
