I

An appendix is an optional part of the paper, and is only rarely found in published papers. All aspects of psychological functioning, including psychopathology, are germane. Over 4,200 journals from 100 countries provide you with access to over 11.

BIOSIS Citation Index

Limit your statements concerning each segment of the paper i. Bibliography sections are found in books and other literary writing, but not scientific journal-style papers.

Sample Abstracts

Nottingham 26th - 28th April 2010 Allan, B. Focus your efforts on the primary research journals - the journals that publish original research articles. If your Abstract was the only part of the paper you could access, would you be happy with the information presented there? The scientific format may seem confusing for the beginning science writer due to its rigid which is so different from writing in the humanities.
