And we're left with the oddest linguistic echoes.

**From Benjamin Franklin to John Baskerville, [1760?]**

And he was no closet unbeliever. The fellow sneaked Baskerville into his family crypt at Christ Church.

**John Baskerville**

. Through its grants program, the NHPRC supports a wide range of activities to preserve, publish, and encourage the use of documentary sources, relating to the history of the United States, and research and development projects to bring historical records to the public.

**No. 1761: John Baskerville**

Most of the English printers, whose offices were well stocked with the conventional fonts, criticized it severely, but more objective persons, such as Franklin, found it both highly legible and thoroughly attractive. Baskerville also was responsible for significant innovations in printing, paper and

ink production.

**No. 1761: John Baskerville**

He sent one as a gift to Harvard College and several to Philadelphia for Isaac Norris and other friends there. Oxford Dictionary of National Biography.
