## Growing Organic Apples

You can also use horticultural oils, insecticidal soaps, garlic, or hot pepper sprays.

## Culture and Horticulture: The Classic Guide to Biodynamic and Organic Gardening

Some otherwise organic growers use it, but I don't. Apples are prone to insect and diseases—including apple maggots, plum curculios, green fruitworms, and codling moths.

## Biodynamic Gardening by Monty Waldin

Control apple maggots during the growing season by trapping them on fake apples that are coated with sticky insect trap coating. Books and films often base their characters on how the moon affects the criminal mind, their crimes are often committed when the moon is at its fullest. Also consider how you will use your apples: Do you love to bake apple pies? About distance between trees, try the chart on this page: Finally, we can not find conclusive advice on the distance apples should be from the three other trees you name.

## North and Central Florida Gardening Guide

I want to save this tree can I splice it or trim it once it goes dormant? Prune yearly to maintain size and form once your apple tree has filled in and is bearing fruit. I can tell you from personal experience how good compost is for plantings--when we lived in Florida, 2 hurricanes in 3 weeks covered our yard in brackish water.

## Culture and Horticulture: The Classic Guide to Biodynamic and Organic Gardening

Check with your extension service to find approved pest prevention programs for your area.

## **Growing apples in the home garden**

This will treat one acre of cropland. Organic weapons include *Bacillus thuringiensis*, a naturally occurring bacteria that disrupts the digestion of caterpillars and other leaf-eaters. Copyright c 2015 Jed Watson.

### **6 Steps to a No**

They have specific advice about this plant in your locale. Gather, share, question, and explore together with 700-1000 farmers, gardeners, entrepreneurs, educators, researchers, activists, and enthusiasts from the region, across North America, and around the world at the annual North American Biodynamic Conference, which will be held in 2020 online and in 2021 near Boulder, Colorado.
