analyse the stories of Mahasweta Devi. They refuse to be called Chamar. .

Folktales of Lakshadweep (Set of Two Volumes)

More than anything else, various types of music and dance had played a major role in keeping alive social life on the isolated islands, which would

have otherwise been prosaic and monotonous. Ambedakar, but elements of Hindu religion and caste system persists among them in entirety.

Folktales of Lakshadweep (Set of Two Volumes)

Shasidhar demonstrates this with the works of P. Monasteries with celibate monks and nuns, along with the belief in reincarnated spiritual leaders, are later adaptations. The Bhangis of Gujarat consider Balmiki Muni as their god.

Sherpa people

In Lohripur they had never heard of water. In Himachal Pradesh, they are Ravidasis and also Nirankari Sikhs Singh : 1995:311.

Folktales and myths of Riang and Tripuri communities (1983 edition)

These sources of their literary world speak of their spiritual world and the eco-system. The works of Girish Karnad, Chandrasekhara Kambar and Anupama Niranjana besides folk and tribal epics are also examined to reveal their re-visioning of traditional legends and folk-myths.

Sherpa people

Many elements of Meitei tribal religion were, however, retained by the Meiteis. They may ironically prefigure literary meaning or act as the primary language of experience.
