### Photographer: Sorcha Matisse

Having spent years photographing weddings in Montana, her ability to work with challenging lighting situations in a dynamic environment was already established. Matisse said that he was never truly expressing himself until he started to work with collages. She stumbled on Alaska during a remote summer archeology dig looking for signs of ancient settlements outside of Fairbanks.

When not taking photos, she loves to get outside. .

### Henri Matisse Stock

After her fieldwork was complete, she explored Alaska and realized she wanted to spend more time photographing the Last Frontier. Sorcha Matisse was born and raised in beautiful Bozeman, Montana and now splits her time between Alaska and Whitefish, Montana. Custom photography packages are also available upon request.
