## What to Do When Your Electronic Device Gets Wet

Well I enjoy the no-cell phones at work policy and always have in my other jobs. So, when your child swears, they might lose access to their electronics until they can go without swearing for two hours. My son has ran away for days at a time.

## What To Do When Employees Are Always on Their Cell Phones

Maybe if enough people did that and they realized they were losing money because of their clerks and phone use, things would change but I seriously doubt it.

## 12 Things Successful People Never Waste Time On

I think the onus here is more on hiring quality employees that have solid judgment, and systematically minimizing the ability to get claims in the first place.

## How Electronic Things Work. . .And What to Do When They Don't by Robert Goodman (Paperback, 1998) for sale online

Remember, the right privilege should be an activity that your child will actually miss.

## What to Do When Your Electronic Device Gets Wet

There is no way to track this or no how much of my time is being stolen. This is serious to a business! Taking away a cell phone for two hours works for some kids while others would just find another way to communicate.

## All You Need to Know About Electronic Voice Phenomena

A small amount of responsibility and dependability go a long way when it comes to saving time. We may receive compensation from companies we endorse on our blog. What ever you Allow becomes Repeated.
