## Kaioh

On the verge of death, his only wish——to be able to use magic——is granted by the God.

## Kaidou Shun/Saiki Kusuo

K Academy on a mission to spy on a pink haired psychic due to her psychic organization noticing the time loop. I did not stop my spoon until I finished it all.

## Kaikisen

Takuma-sama saved me in spite of being an unrelated person from a different world nodesu! Because of the death of his mother who saved an infant Kenshiro from a fire due to the love of her heart, Kaioh would scorn and wage war on love itself.

## Kaikisen

But he never desired to fall hopelessly in love every time he looped back, doomed to a life of romances left broken and unfulfilled. The chicken and onions were cut in slightly larger sizes, allowing to taste everything in one bite. But when he starts getting hungry he can't ignore the carnal urges for long.

## Kaidou Shun/Saiki Kusuo

Character Rating From Hokuto no Ken: Kyūkyoku Kaisetsusho: Seikimatsu Haō Retsuden. Like Oneechan who just made a meal for her imouto.

## Kaikisen

Kaidou didn't believe in vampires, but all of a sudden he's caught up in supernatural drama when Saiki bites him.

## Kaikisen

I have a feeling that the mood has lightened compared to before.
