The Life of Pachacuti Inca Yupangui.

Inca aristocrats were permitted to marry only other Incas, and Ollantay was from another tribe. On top of the traditional system, Pachacuti added the Inca institution of the mita, labor tax, through which all had to put in work in the fields of the Inca the state and the Sun. Le prince écoeuré ne put se résigner à abandonner la ville sacrée.

The Life of Pachacuti Inca Yupangui.

The book is steeped in history and culture about the Inca, Moche, and Quechan peoples, their interactions with the Dominican Order and Spanish Conquistadors, and the Spanish Inquisition. Ci si domanda se questa decisione fu dovuta solo alla sua indisciplina o se celava qualche denuncia di proposito di congiura arrivato alle orecchie del sovrano. Surpris, le jeune prince interrogea les fuyards : les avaient rassemblé une armée, ils venaient mettre le royaume à feu et à sang les Incas gagnèrent quand même la avant que les Chancas arrive à Cusco , Viracocha, qui n'avait rien voulu entendre des avertissements de son prince héritier, avait dû fuir avec sa cour.
