Audible UK

The book does an excellent job of explaining the intricate inter-relationships between the Chicago players as well as the different cities. And he found that the mob-controlled areas in the city, as well as Cicero and Chicago Heights, voted no differently than others.

Double Cross: The Explosive, Inside Story of the Mobster Who Controlled America by Sam Giancana

None of I really enjoyed reading this. They had lost their huge gambling interests in Havana when Castro seized power, and had been standing on the touchline waiting for action by die Kennedy administration which would reverse the situation and give them their casinos back. This is a love story of a younger brother who is infatuated with his murderous sociopathic gangster brother.

Double Cross : The Explosive Inside Story of the Mobster Who Controlled America (Paperback)

Other than offering some insight into the 20th century Italian mob the book is filled with remarkable revelations, all undocumented, concerning mob involvement in the assassinations of Anton Cermak, the Kennedy brothers, Marilyn Monroe, Patrice Lumumba and others.

Double cross : the story of the man who controlled America : Giancana, Sam, 1954

. He includes just enough details to make the stories somewhat plausible, but still falls far short of being convincing. But begs a lot of questions.
