### Immigration in Canada: Statistics & facts

This is potentially one of the most serious social and labour market challenges that Canada is facing. DACA Population Data, March 31, 2018. Without post-1990 immigration, there would have been 3.

### Green paper

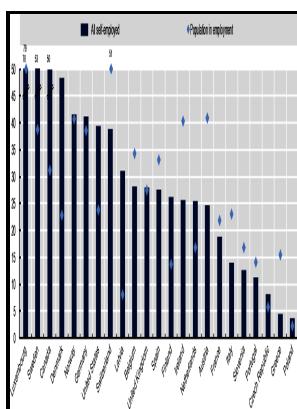

The terms foreign born and immigrant are used interchangeably and refer to those who were born in another country and later emigrated to the United States. Citizenship and Immigration Services USCIS , the third-largest group after Indians 76 percent and Chinese 9 percent.

### FREE Canada Immigration Assessment Form

Some have argued that immigration might be better for the economy — and might not add to congestion in our major cities — if the provinces were more involved in the selection process and could admit applicants suitable for their local economies. The Commission was established in response to a number of cases that gave rise to a public debate over the accommodation of religious practices and the broader question of the integration of immigrants and minorities. While that literature includes some excellent Canadian studies, much of it focuses on the US and Europe.

### FREE Canada Immigration Assessment Form

Not shown is the population in Alaska, which is small in size. Despite or perhaps because of this long history of immigration, is split: 40 percent feel
