And yet still today, narratives set during the war continue to be made, as untold stories come to light. Social realism was also part of the theatre culture of some regional theatres with working-class audiences, such as the Unity Theatres in Glasgow and London. Writers saw potential correctives in the shape of private sector investment in the arts through means similar to film funding tax rebate mechanisms ; greater pressure to promote philanthropy for the arts; the redistribution to the small to medium sector of funding allocated for major arts institutions; audience development campaigns; improved television reporting and wider access to the arts through digital media; the creation of artist-specific tax and unemployment benefit schemes side-stepped when Garrett introduced Artstart ; and support for more art-led urban renewal ventures like Renew Newcastle.
