## Selichot

להרבריג — via Google Books. Some associate Lita with and Polin with , likely because in early most Jews in Poland had adopted Nusach Sefard, whereas most Jews in Lithuania maintained Nusach Ashkenaz. The other nights are more sparsely attended and those services are often led by a hazzan, rather than a trained musician, and with melodies that are less elaborate than the first night.

## Selichot Day

## Selichot

In general, the proper time to say Selichot are at the end of the night, just before the morning, since this time is considered, according to Jewish , as especially favorable in terms of the presence and closeness of. Selichot are not recited in any community today on the major fast day of , although they were recited by the of Babylonia.

## Selichot Day

Since Jewish people know that their sins must be forgiven on Yom Kippur, they are thinking of their sins and of forgiveness during these days before Rosh HaShanah and Yom Kippur. They add about 45 minutes to the regular daily service in a typical service.

## SELICHOT

Selichot are recited before normal daily shacharit morning prayers service. The content of these prayers is related to the specific fast day.
