Colour Literacy

The Problems Committee report and the proposal for a joint ISCC AIC Project was submitted to the ISCC board and approved in August 2019. Each of these fields enriches the others, furthering the general objective of color education.

Colour Literacy

Individual members are the largest single group. Other national organizations with an interest in color are of the Council and appoint delegations to participate in the Council's work.

Inter

An ISCC Problems Committee was formed in the fall of 2018 to identify the problems to be addressed by the project. Fluency with the language of colour sharpens our visual intelligence, expands our perceptions, and enhances our ability to communicate. For a concise summary of the activities and organization of the Council, a two page brochure is.
