Happy and Glorious (Part One) on Apple Books

As we mark the 50th anniversary of her ascent to the throne today, this longevity, and the stability it represents, deserve cheers. In 50 years, the Queen has undertaken 251 official overseas visits to 128 countries -- from the Cocos islands, with a population of 655, to Communist China, with a population of more than one billion. Everybody hoped that James would turn out to be a good ruler, although there were a few hints that all might not go smoothly.

Festive and fast-moving, the ceremony opened with pop bands Madness, Pet Shop Boys and One Direction, a shout-out to Winston Churchill and a tribute to the Union Jack — the floor of Olympic Stadium floor arranged to resemble the British flag. All she wants is one small, one very cheap, present.

Happy & Glorious

Whether Trooping the Colour or sending birthday telegrams, the Queen is engaged in symbolic expressions not only of the monarchy's presence within a nation, but of the nation's own self-understanding. One of the best things about being a writer, says Hilary, is receiving letters from children. Bond was played by Mark Sutton.
