Beyond women who hold political office, we should also consider ordinary women and their relationship to politics. Gender and the Family in the First Postwar Years The lives of men and women were radically changed in many ways in the postwar years.

## Pedagogy of Democracy

In pointing out historical continuity and connections in the European colonization of Asia, the U. But the suffragists were pragmatic; they adjusted their tactics while retaining, at least until the late 1930s, their strategy of civic engagement as the basis for improving the status of women and children. HUSBAND: Aren't you crazy, my dear? Japanese forces know only the defense; offense-minded American forces would be obliged to assume responsibility for the offense in any conflict.
