**Dear Prudence: My mom is demanding I give my cat to our neighbor.**

. A new or inexperienced mother cat can be distracted from her babies if there is too much going on around her.

## 10 Powerful Prayers for My Sick Cat

But my point is: Based on the information you have provided, it sounds like Zayn will be fine.

## My cat called me Mom????

Come and dwell within us, that in Your presence, my cat will pull through this. Please see our article, , for more information about this problem. Any suggestions on how to keep her with her babies? A good way to understand why your cat is aggressive is to think about the function or purpose of the aggression.

## 5 Reasons A Mother Cat Might Abandon Or Reject Her Young

Sandy is a male budgie.

**Dear Prudence: My mom is demanding I give my cat to our neighbor.**

Help me to place my trust in You and not in myself. A qualified professional can take a complete behavior history, develop a treatment plan customized for your cat and coach you through its implementation.

## 5 Reasons A Mother Cat Might Abandon Or Reject Her Young

Percentage of occurring under circumstances? They sit or stand stiffly, their hackles up, and stare at each other. I went back to check instead of 6 there were 5 and so I searched and found the other one in the closet while she went back and fed the other 5.
