Sustainable development and environmental change

Growth and development should be ecologically, socially, culturally and economically sustainable.

WTO

Take a look at the 2021-02-04 A new residential block, Satakielenrinne, with homes for roughly 650 residents, is being planned for the centre of Tapiola.

WTO

All the things we buy have to be grown, extracted or manufactured and then transported and — sooner or later — disposed of.

Amazon Sustainability

As global inequality and climate change become mainstream concerns, it asks the questions our generation needs to ask in terms everyone can understand.
