## Monuments and Morals: The Nationalization of Civic Instruction

The real crowning of the career and life of Laboulaye, refused membership of the Académie Française, was unfortunately posthumous: he who had studied and admired America so much without ever crossing the Atlantic, channelled his last efforts into ensuring the successful conclusion of a project to erect a monumental statue to the glory of friendship between France and the United States of America. Translated by Catherine Alison Phillips. In 1865, he originated the idea of a monument presented by the French people to the United States that resulted in the in.

## Édouard René de Laboulaye

He was also a translator of the works of those Americans for whom he had a special devotion: Franklin, Channing, and Mann. His final years as a senator for life were devoted in large part to a successful fundraising campaign for the Statue of Liberty, which he did not live to see erected in New York Harbor, and to carrying on the fight for political liberty as he envisioned it. This monument, one of the most well-known in the world, a symbol of friendship and political cooperation between France and the United States, was a private initiative.
