### Railroad Depots of Michigan: 1910

This old red caboose sits in the small town of Comins on M-33. This adorable little brick depot was constructed in 1898.

### Passenger and Freight Depots

It seemed peculiar to see them way out in the middle of nowhere. It is now used for retail and community space. Railroad Depots of Michigan: 1910—1920 is his first book.

### Railroad Depots of Michigan: 1910

The history of the old rail car is unknown but it was painted red and made to look like it was used by the Detroit and Mackinac Railroad. Between 1978 and 1986, he wrote a monthly column titled Down at the Depot for the Michigan Railroad Club's magazine, the Michigan Railfan. The depot served Lake Odessa for over 82 years until the last tickets were sold to passengers in 1971.

### Michigan's Historic Railroad Stations

He also writes and photographs the newspaper's architecture blog. Steam locomotive—hailed trains were still eight months in the future.

### Railroad Depots of Michigan: 1910

This volume portrays some of Michigan's finest railroad stations during their heyday in the second decade of the 20th century. In Michigan's Historic Railroad Stations writer and photographer Michael H. As these new transportation entities grew and prospered, they put in place more elaborate station buildings in the communities they served.

### Passenger and Freight Depots

Mrozek is a retired financial analyst and has been interested in stations, interlocking towers, and other railroad support structures since the late 1960s.

## **Michigan's Historic Railroad Stations**

. Michigan has a rich railroad history, which began in November 1836, when the Erie and Kalamazoo Railroad initiated service between Toledo, Ohio, and Adrian, Michigan.

### **Railroad Depots of Michigan, 1910**

A native of the Detroit area, Hodges grew up on a dairy farm thirty miles north of the city. The train crashed into the rear of the first train with tremendous force killing 22 men sleeping in the rear railroad car. Hodges covers art and architecture for the Detroit News, where he's worked since the early 1990s.
