Tropical Infuse a bit of beachy flair into your home with tropical style, which combines influences from various locations like Hawaii and French Polynesia.

## Regency architecture

The outdoors is always embraced, and many homes blur the line between inside and outside using picture windows and glass sliding doors. In this thorough, lavishly illustrated study, Morley, a former keeper at the Victoria and Albert Museum, presents Regency as an enchanting, if autumnal, style, a humane haven from the encroaching uglification of the Industrial Revolution. There is a focus on raw materials like metal and exposed wood, both of which help create cool, sleek and clean interiors.

## **Interior Decorating in the Traditional Style**

Its influence can also be found in such relatively modern designs as the of Mies van der Rohe of 1929. Dust Jacket Condition: Very Good. She valued the majestic old maple and apple trees that came with the property.
