## Introduction: Britain, Ireland and the Italian Risorgimento

There are many explanations for the absence of revolution in Britain in 1848.

## 'The ink of the wise': Mazzini, British Radicalism and Print Culture, 1848

He became the Liberal MP for Haggerston and Shoreditch in 1885 and was awarded the Nobel Peace Prize in 1903. I believe I must go to that inexhaustible magazine of political devices, the First Lord of the Admiralty Graham , to explain the present state of affairs.

## The revolutions of 1848

Jacques Necker, a Geneva-born, Protestant, slavishly pro-British banker, had been installed through the efforts of Shelburne's leading ally in France, Philippe Duke of Orléans, as finance minister.

## Journal of British Studies

It provided some freedoms and protection to the people through the Factory Act and Mines Act.
