ERIC

The central focus is on the adult's efforts to learn, in particular, his decisions, preparations, reasons for learning, help, problems, and needs. It houses one of the world's largest and most accessible agricultural information collections and serves as the nexus for a national network of state land-grant and U. The three appendixes present some borderline cases in defining learning projects; influential factors; and freedom, autonomy, and control: the relationship between helper and learner.
