And the opening exhibition was Thomas Hart Benton.

Who's who? — AICA International

I rejected Mother, mother country and mother religion—the three mothers. It was included in the group show Retracing Exhibitions, curated by Kari Conte and Florence Ostende at the Royal College of Art, London 2009. I mean, he started getting paintings all the way from Cezanne to Van Gogh to feed his Hollywood clients.

Oral history interview with Brian O'Doherty, 2009 Nov. 16

MCMANUS: And then they painted you. And we usually would pick out of the 40, 12 to 16 prints that would go into the next supplement. In addition to painting, printmaking, and executing murals and architectural commissions, Albers published poetry, articles, and books on art.
