Khozraschyonot

Author Biographies Larysa Filipkovska, National Aerospace University named after M. The conclusion about the process of cost management as a complex sequential process is presented, which represents a rational ratio of the main indicators of the project - time, cost, personnel, information resources and quality. Conclusions The proposed method enables to move to a qualitatively new level of communication between contractors and customers.

Planirovaniye i khozraschet v proektnykh organizatsiyakh (1947 edition)

Adam, Employment and Wage Policies in Poland, Czechoslovakia and Hungary since 1950 N.

CAB Direct
