Of course what Deleuze will go on to develop as his first major philosophy of Difference and Repetition is also embedded throughout, as well as allusions to the Three Syntheses of Time, the privileging of the passive over the active processes of the faculties of thinking, sensing, imagination and memory. .

Marcel Proust et les signes

Mais il est comme un éthologue qui analyse les comportements humains. Proust Marcel, Albertine disparue, NRF, III, p.

Proust et les signes by Gilles Deleuze

Message clairement codé, donc, mais aussi définition personnalisée, secrète et inattendue, du Temps enfin retrouvé.

GILLES DELEUZE, PROUST ET LES SIGNES L'ANTI

No one enters into a foundational grasp of the world because they want to, because this is how we should use our minds, because our natural disposition as thinking animal is to reach for this realm. Ses lettres sont délicates et tendres.

Proust and Signs: The Complete Text by Gilles Deleuze

La NRF devrait faire de la publicité à Edmond Jaloux qui place la Recherche entre Montaigne et Rousseau. On observe une structure solidaire des formes littéraires. I didn't know I'd eat this book up like I did.
