Women's and Gender Studies

WGS is also an important resource for faculty with an advanced knowledge of gender studies within particular disciplines who are interested in learning more across disciplinary lines; it also welcomes faculty who have an emerging interest in the field of Women's and Gender Studies. Summary: This resource will help you begin the process of understanding literary theory and schools of criticism and how they are used in the academy. Free to use, download, and read.

Guidelines for Curriculum Materials Centers

Men's story gets told; women's gets left out.

Making Time for Women's History

NY: Oxford University Press, 1980. For elementary and secondary students: National Women's History Project. Margaret Smith Crocco Women's History Has Arrived- Or Has It? An excellent compendium of primary and secondary sources for advanced students with a videotape list and bibliography for each chapter.

Resources for College Career Counselors and Advisers

However, at the secondary level, my experience as a staff developer and teacher educator suggests that many present and future school teachers are still largely unfamiliar with the subject, and thus handicapped in incorporating women's history into their curricula. Here's some of what they say! Assessment The CMC should have an assessment plan in place for evaluating the achievement of its mission and goals.

The 1619 Project Curriculum

Women in the World: Curriculum Resource Project 5-8. The magazine grades each institution based on factors including peer assessment, graduation and retention rates, faculty resources, and student selectivity.

Resources for College Career Counselors and Advisers

At the secondary level: The Feminist Press. Nor should it be the only source consulted in a college search.

Top Conservative Colleges

Here students will find the grading policies of York College. Resources for Students Seeking Support. These include materials related to other resources in the CMC children's literature indexes and bibliographies, educational software directories, etc.

Resources for College Career Counselors and Advisers

Dublin, Women at Work NY: Columbia University Press, 1979. At the elementary level: HerStory for Futures Unlimited. The materials include student texts, teacher guides, slides and filmstrips.
