### Bronnitsy

I actually like that in sequels because if you read the sequel so long after its prequel, you forget stuff, so to be introduced to new characters eases that a little bit I find. She has her school and its future at the heart of everything she does and is doing her best to prevent the school from being shut down.

### Village Theatre

It was added to the list of the historical towns of the Moscow Oblast in 1990, and gained the status of a city of regional subordination, along with a new charter, in 1992.

### Holyport Village Show

Or do you have a soft spot for the delightful Carrington's series, also by the hand of brilliant author Alexandra Brown? I tried to read it when it first came out, but I couldn't get the life of me get into it.

### Farnhams and Hedgerley Village Show

Think back to a beautiful Sunday in September last year, the day of the Annual Farnhams and Hedgerley Show.

### Village Picture Shows

Overall, I quite enjoyed the book. It didn't start very well but I did get more into it towards the end and quite enjoyed the more funny bits Meg's mom is a gem! Moscow: RTPIDD Типография-Литография «Русского Товарищества Печатного и Издательского дела».

### Village Picture Shows

The constant rehashing of the conflict and cycling round and round through the same thoughts and emotions. There were a lot of sub-plots that seemed promising, but felt like the writer got bored of and abandoned.
