When two weeks ago I visited British forces based at Musa Qala in the lawless Afghan province of Helmand, British commanders told me time and again that if they were to have any chance of consolidating the military gains made so far, they needed at least another six helicopters that would enable them to move troops at speed to locations where they could inflict the optimum amount of damage on the enemy. New Delhi February 22, 2007 9:45:31 AM IST Maureen N Wadia is credited with scripting success stories of glamorous models like John Abraham, Dino Morea, Koena Mitra and Lara Dutta to name a few, but she strongly feels that today's generation take up modelling just to evade studies. However, as long as movements against neoliberalism are prepared to mobilize more and more people for the purpose, the WSF does not claim or want to be the only platform or space from which to operate.

**本当に忙しい時はきゃんこと書けないわけで...てことはたいしたことねーのかな**

Both countries are vigorously continuing to produce more fissile material and presumably weaponising as quickly as possible.

Bangkok February 22, 2007 10:42:57 PM IST Thailand's post-coup government suffered another setback today as ousted Prime Minister Thaksin Shinawatra's economic tsar resigned as an adviser, just six days after taking the job. We also pointed out that India will continue its

endeavour to ensure that the parties to the ethnic violence in Sri Lanka are brought together to achieve a viable political solution without any further delay and loss of life.

They speak of immortal Atman, Tat-Twam-Asi, etc.

**2007**

The blockade will continue till November 19. They filed off into break-out sessions to dissect and debate its significance.
