## Records Division

In these states, transitional plan holders generally expected to be healthier than the average enrollee because they were subject to medical underwriting by insurers prior to 2014 were not added to the individual risk pool, perhaps resulting in a sicker-than-expected individual market risk pool. Arkansas also allowed transitional plans in 2015.

## Pharmacists

Because of these odds, reentry is a critical time to provide rapid access to pre- and post-release treatment as well as informed supervision to people who have opioid addictions. Indiana Minimum Wags: Rates; Discrimination Ind. Technology also enables our learning ... The policies and practices of federal, state, and local corrections agencies, including the juvenile justice system, severely hinder the ability of correctional education programs to enable learning through technology ... The primary concern about adopting educational technology in corrections is the potential for security breaches.

## Rhode Island Military Service (USERRA) laws & HR compliance analysis

Please update this article to reflect recent events or newly available information.

## Employment discrimination law in the United States

But, in 2019, a woman still only earns 79 cents for each dollar a man earns. Southeastern states appear bloated because they disenfranchise hundreds of thousands of people who have completed their sentences. A few more states ban LGBT discrimination in only public workplaces.

## Illinois Termination (with Discharge) laws & HR compliance analysis

If you don't have a handbook, put one in place.

## **Sexual Harassment Training Requirements by State**

I examine the impact of these laws on state rates of returns to prison, as measured by percent of prison admissions that were people on conditional release when they entered prison, the percent of exits from parole that were considered unsuccessful due returning to incarceration; the percent of exits from parole that were returned to incarceration for a new sentence, and the percent of exits from parole that were returned to incarceration for a technical violation. Employers should have departmental or unit meetings to explain policies and grievance procedures, so that all employees understand what is prohibited conduct and how to complain about it.

## **Pay Equity and State**

This trend was consistent in the 2014 benefit year as well.
