## Dysfunctions of Bureaucracy, Socio Short Notes, Education And Social Change, Sociology As Science

Second, material restrictions are created by law packages that resolve economic issues, make budget decisions, create artificial market participation and produce the stakes of the participant in the bureaucratic interaction with the citizen at the micro-level Kennedy 1993. For example, industrialisation has destroyed domestic system of production. Here, I develop in three main sections the transition from the failed state narrative to an account of street-level bureaucracy governmentality, as a response to the claim of state absence.

## Compare and contrast Marx and Weber's theories of social change

By contrast, Marx was opposed to bureaucracy. But social evolution does not imply this.
