## FACT CHECK: Did George Orwell Say, ‘Telling The Truth Is A Revolutionary Act’?

To wait until now to object is problematic. Perhaps he was presenting his analysis of the thesis or central point of the novel 1984 instead of an exact quote. Ziff stated that the clever insult under examination was aimed at the book by an unnamed reviewer.

## FACT CHECK: Did George Orwell Say, ‘Telling The Truth Is A Revolutionary Act’?

If the English took the trouble to make their own democracy work, they would become the political leaders of western Europe, and probably of some other parts of the world as well. He may have been quoting Orwell, and the quote is definitely Orwell-esque.

## George Orwell

The details for these cites are given further below. The earliest known matching statement appeared in a column in the Washington Times newspaper written by the film critic and essayist Richard Grenier in 1993: As George Orwell pointed out, people sleep peacefully in their beds at night only because rough men stand ready to do violence on their behalf. Here are additional selected citations in chronological order.

## A revolutionary act

Essentially the sufferer needs to urinate almost continually to avoid being poisoned and suffering from kidney failure.
